includes focused practice for reading, language arts, and math mastery. Skills include parts of speech and sentences, grammar and usage, capitalization and punctuation, adding and subtracting two- and three-digit numbers, writing numbers in expanded form, components of 3-D shapes, fractions, and metric and customary measurement. Spectrum Grade Specific workbooks contain focused practice for language arts mastery. Each book also includes a writer's guide. Step-by-step instructions help children with planning, drafting, revising, proofreading, and sharing writing. The math activities build the skills that children need for math achievement and success. Children in grades 1 to 6 will find lessons and exercises that help them progress through increasingly difficult subject matter. Aligned to current state standards, Spectrum is your child's path to language arts and math mastery.

Sight Words, Grade 1
