A Proto-Biblical Book
Thomas Nelson Inc
The publication of the

King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

How can we learn to be
effective culture
warriors? We live in
dangerous times. Not
only does violence
stalk us in the form of

terrorism and crime,
but our culture itself is
crumbling. Our society
tolerates and even
praises what would
once have been barely
spoken of. If we stand
up we are branded as
intolerant, the term
today's culture
considers the
inexcusable offense. If
we don't speak up,
people won't know
biblical truth. How is a
Christian to respond?
Inspired by the story of
Daniel in the Old
Testament, bestselling
author O.S. Hawkins
shows how we can
engage our broken
culture with integrity.
Daniel was a young
man who "wrote the
book" on how to
survive in a pagan,
permissive, and
perverse culture. His
value system was
challenged at every
turn. Daniel steps off

the pages of scripture and into our modern culture today to reveal some timeless principles—a sort of “Daniel Code”—that enable you to not simply exist in our culture but to engage it and survive it as well. You will discover that the same God that ensured Daniel’s victories is here for you today.

Discover the secret Joshua gave the Israelites for prosperity and success. The Israelites finally had land and the opportunity to start anew. Their leader, Joshua, spoke wisely about how to follow God's law and how to be successful. Joshua 1:8 says, "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." The Joshua Code™ is a challenge to keep the Word in our mouths through memorization and in

our hearts through meditation "day and night." The fifty-two chapters in this volume are designed to lead you on a yearlong journey by spending each week memorizing and meditating on one Scripture verse so that it becomes a living part of your very being. Topics include grace, temptation, the three levels of prayer, fruit of the spirit, and more. The outlines in each chapter can also be used by the busy pastor or Bible teacher for guiding their members. God's Word is powerful and profitable when studied and applied by anyone, the young and the seasoned believer alike. "You will both enjoy and profit from reading The Joshua Code. His emphasis upon the importance of

Scripture memorization vibrates once more the lost chord of hiding God's Word in your heart." - Dr. John Edmund Haggai, Founder and CEO, Haggai Institute "The Joshua Code literally cracks the code that every leader struggles with: In these uncertain times, with uncertain outcomes, how can a leader put first things first? The example of Joshua memorizing and meditating on God's Word moves us from success to significance. Most of all, the emphasis on Scripture memory fits in perfectly with our matrix at Student Leadership University that you will be the same person five years from now, except for the books you read, the people you meet, the places you go, and

the things you memorize." - Dr. Jay Strack, President & Founder, Student Leadership University "The Joshua Code is impacting our whole church as we memorize the Scriptures together. Each week the Scripture verse appears in our announcements and on Sunday evenings the verse is recited as a group and the devotional thoughts are read then discussed. This is bringing us together as a family around the Word of God." - Dr. Thomas Sherwood, Long Falls Church, Carthage, New York "Whether on the football field or the field of life you need a playbook. My friend, O.S. Hawkins' new book, The Joshua Code,

is a great resource in understanding the 52 verses every believer should know. I read it regularly in my own devotions and enthusiastically recommend it to my family, friends and fans." - Roger Staubach, NFL Hall of Fame Quarterback

The James Code helps
believers go from

knowing about God to living for God. Bestselling author of *The Joshua Code* and *The Jesus Code*, O.S. Hawkins is back with a new book that is all about putting your faith into action. *The James Code* is practical, personal and action-packed straight from one of the most popular books of the Bible. The Joshua Mandate

You'll understand Jesus' presence in the Old Testament in a

new way as you journey with Pastor O. S. Hawkins through the Bible. We often assume Jesus is only in the New Testament. Yet Christ appears in every book of the Bible, sometimes in words, sometimes in shadow, sometimes in prophecy. As Jesus revealed to the two disciples on the road to Emmaus, He can be found "in all the Scriptures" (Luke 24:27). And as we learn to find Jesus in every verse, we realize His constant presence in our lives as well. In *The Bible Code*, bestselling author of *The Joshua Code*, O. S. Hawkins, takes us from Genesis to Revelation as he illuminates Scripture through the light of Christ. In Exodus, He is the Passover Lamb. In Deuteronomy, He is

the Bread of Life. In Song of Solomon, He is our Bridegroom. This book makes a beautiful gift for: Graduation Christmas Father's Day Birthdays As we seek Jesus in the whole Bible, we find life. Not just eternal life in the then and there, but abundant life in the here and now. 52 Scripture Principles for Putting Your Faith into Action Loizeaux Brothers

Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written. Jonah Thomas Nelson
Jonah is not only one of the most popular books in the Bible; it is also one of the most controversial. Its

historical validity is questioned by skeptics and scholars alike. But Jonah is the actual account of a man who rebelled and was swallowed by a great fish. The book of Jonah More ... is not just about a fish-it is the story about someone like you and me. It is the story of Jonah's struggles, calling, disobedience, problems, and prayer life. It is the story of his

encounter with God and of God's gracious dealings with him. It is the story of a man, and of an entire city, that got a second chance. *The Bible Recap* Thomas Nelson Incorporated Dr. Wiersbe zeroes in on Satan's attacks as deceiver, destroyer, ruler, and accuser. He emphasizes that conquering the enemy comes by obeying God's truth.
