Daily Labor Report

This book deals with the whole gamut of General Knowledge and English that an aspirant requires to prepare for NDA, CDS and any other Graduate and above level exam held by UPSC. As it contains detailed notes on Indian History, Geography and Indian Polity followed by MCQs that have appeared in various competitive exams it would prove

to be very useful for other competitive exams as well. Besides notes on each topic, it has over 7000 Multiple Choice Questions (MCQs).

Computers, Data Processing, and the Law : Text and Cases

An on-the-job reference for process and control engineers, this book presents current articles from Chemical Engineering Magazine on improving performance and optimizing

control in the process plant. The contributions provide practical and diverse guidance on how to specify, design, maintain and upgrade the process plant for engineering and economic efficiency.
