Canadian Organizational Behaviour Kendall/Hunt Publishing Company
 This updated edition describes both the mathematical theory behind a modern photorealistic rendering system as well as its practical implementation. Through the ideas and software in this book, designers will learn to design and employ a full-featured rendering system for creating stunning imagery. Includes a companion site complete with source code for the rendering system described in the book, with support for Windows, OS X, and Linux.
Families and Their Social Worlds Pearson

Introduce the most important theories and views in strategic management today with this concise, yet fully complete, text. Harrison/St. John's FOUNDATIONS IN STRATEGIC MANAGEMENT, Sixth Edition, addresses the most recent changes in today's business environment, including many topics that other strategic management texts often miss. The book thoroughly addresses the traditional economic process model and the resource-based model, as well as the stakeholder theory. This valuable text builds on a traditional theoretical foundation by using engaging examples from many of today's leading firms to demonstrate principles and applications. This edition continues to highlight strategizing in the global arena as well as more focused coverage of stakeholder management. This brief, well-rounded text functions as an indispensable resource for your immediate and long-term success in strategic management. Available with InfoTrac Student Collections <http://go.cengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
ORGB Cengage Learning
 Access world-class business content with Core Concepts and Business Extra Select! Outstanding Content: Core Concepts of Organizational Behavior takes a streamlined approach that focuses on

fundamentals and leaves room for additional content. Materials from Leading Business Publications: With Wiley's Business Extra Select Program, instructors can build on the core text by adding articles, cases, and readings from such leading business resources as INSEAD, Ivey and Harvard Business School Cases, Fortune, The Economist, The Wall Street Journal, and more. Flexibility: Instructors can select a pre-built Business Extra Select CoursePack, or create their own CoursePack from the thousands of articles and cases in the Business Extra Select database. You can even add your own content. CoursePacks can be packaged with the text or purchased separately online. Low Price: The Core Concepts text's brief format translates into a lower cost for students.

Professional Meeting Management South-Western Pub

This popular textbook offers an inspiring and focused introduction to the study of organizational behaviour and management. The second edition builds on the fresh and innovative approach to the study of management and organization introduced in the first edition. To make the subject matter more relevant and accessible, it treats organizational behaviour as a field of activity that has many parallels with everyday life, particularly in relation to participating in organizations and

institutions. Uniquely, this textbook presents two distinct and highly contrasting perspectives on organizational behaviour, discussing the alternative critical perspectives alongside the more traditional approaches, to encourage critical thinking and debate. Each chapter has been fully updated by specialist authors who are committed to thinking differently about the field of organizational behaviour. They effectively identify and explore the key concepts that underpin this diverse subject in their respective chapters, utilising a range of international and everyday examples. The second edition benefits from a new four-colour design and uses a variety of pedagogical features to engage students and provide a stimulating learning - and teaching - environment. This text is ideal for use on introductory undergraduate and post graduate courses in Organizational Behaviour and Management. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

You choose the format that best suits your learning preferences. HR, 5E is perfect if you prefer to use the printed book as your primary learning tool and reference resource for refining your human resource management skills.

Organizational Behavior Cengage Learning

A TRANSITION TO ADVANCED MATHEMATICS, 7e, International Edition helps students make the transition from calculus to more proofs-oriented mathematical study. The most successful text of its kind, the 7th edition continues to provide a firm foundation in major concepts needed for continued study and guides students to think and express themselves mathematically—to analyze a situation, extract pertinent facts, and draw appropriate conclusions. The authors place continuous emphasis throughout on improving students' ability to read and write proofs, and on developing their critical awareness for spotting common errors in proofs. Concepts are clearly explained and supported with detailed examples, while abundant and diverse exercises provide thorough practice on both routine and more challenging problems. Students will come away with a

solid intuition for the types of mathematical reasoning they'll need to apply in later courses and a better understanding of how mathematicians of all kinds approach and solve problems.

A Transition to Advanced Mathematics SAGE Publications

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, INTERNATIONAL EDITION uses a unique framework to show you the key concepts, or Cornerstones, of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

HR Fire Engineering Books

With an unparalleled art program, Our Origins is an accessible, up-to-date text that focuses on anthropology's big questions and the scientific process.

Using SPSS for Windows and Macintosh Cengage Learning

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook Families and Their Social Worlds 3/e, leads students to view the family on a macro level by examining policies in place and how those policies impact families. Author Karen Seccombe encourages students to think about families beyond their own personal experiences, and even beyond family structure in the United States. Integrated coverage of important policy considerations throughout each chapter illustrates what is currently being done, and perhaps more importantly what can be done, to strengthen families and intimate relationships.

Fundamentals of Organizational Behaviour McGraw-Hill Europe

ORGB, Third Canadian Edition, offers comprehensive coverage of contemporary organizational behavior topics in a format that is engaging and accessible for today's learners. Our flexible hybrid solution was developed based on feedback from both Canadian instructors and students, reflecting today's students' study and reading habits. The third Canadian edition includes more examples from an assortment of organizations to appeal to a wider variety of programs, including legal assistance and hospitality. The product also includes contemporary cases, examples, self-assessments, and additional activities for active learning to help make the content applied and relevant for today's on-the-go student.

Performance Management ORGB

Charles Hill's Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT's concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world
