Waterstone's was DTI awarded as one of the three most financially successful business start-ups of the 1980s and, culturally, may be considered to have changed the complexion and scale of bookselling in the British isles and Europe. This massive success is in no small way due to Tim Waterstone's excellent business practices and belief that business can work for the good of the community. In this book he shares his top ten rules for creating businesses and making lives, using real-life case studies of how business succeed, and also how they can fail. Essential reading for anyone with a dream of starting up alone.

When Joe Leaphorn and Jim Chee, Tony Hillerman's oddly matched tribal police officers, patrol the mesas and canyons of their Navajo reservation, they join a rich tradition of Southwestern detectives. In Crime Fiction and Film in the Southwest, a group of literary critics tracks the mystery and crime novel from the

Painted Desert to Death Valley and Salt Lake City. In addition, the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in *The Petrified Forest* to Russell Crowe's hard-nosed cop in *L.A. Confidential*. "

Dr. Kay Scarpetta is starting over with a unique private forensic pathology practice in Charleston, South Carolina. But in this thrilling #1 New York Times bestseller, her fresh start ushers in a string of murders more baffling—and terrifying—than any that have come before... The Book of the Dead is the morgue log, the ledger in which all cases are entered by hand. For Kay Scarpetta, however, it is about to acquire a new meaning. A sixteen-year-old tennis star, fresh from a tournament win in Charleston, is found nude and mutilated near Piazza Navona in Rome. The body of an abused young boy is dumped in a desolate marsh. A woman is ritualistically murdered in her multimillion-dollar beach home. Meanwhile, in New England, problems with a prominent patient at a Harvard-affiliated psychiatric hospital begin to hint at interconnections among the deaths that are as hard to imagine as they are horrible. Scarpetta has dealt with many brutal and unusual crimes before, but never has she seen a string of death like what she's facing now. Before she is through, that book of the dead will contain many names—and the pen may be poised to write her own...

From the Oscar-winning screenwriter of *All the President's Men*, *The Princess Bride*, and *Butch Cassidy and the Sundance Kid*, here is essential reading for both the aspiring screenwriter and anyone who loves going to the movies. If you want to know why a no-name like Kathy Bates was cast in *Misery*, it's in here. Or why Linda Hunt's brilliant work in *Maverick* didn't make the final cut, William Goldman gives you the straight truth. Why Clint Eastwood loves working with Gene Hackman and how MTV has changed movies for the worse, William Goldman, one of the most successful screenwriters in Hollywood today, tells all he knows. Devastatingly eye-opening and endlessly entertaining, *Which Lie Did I Tell?* is indispensable reading for anyone even slightly intrigued by the process of how a movie gets made.

From Bram Stoker Award-winning author Nancy Holder comes a chilling novel of horror on the sea. This is how it will be when you drown. . . . At a sun-washed dock in Long Beach, California, the creaky freighter, *Morris*, loaded with brightly colored boxcars, takes on passengers. Among the vacationers: a disgruntled yuppie couple, a child stricken by cancer, a woman searching for her lost husband, and a female cop packing a .38 and bitter memories of a boy who drowned before her eyes. In seas of love and blood they will drown, one at a time. And for their company, they will have those who have drowned before them—and those who have received a message in a bottle. . . . Praise for *Dead in the Water* "Dead in the Water is saturated with brooding, claustrophobic, hallucinatory menace. Nancy Holder's vivid voice and sharp characterization make it all real. I'm never going on a boat again!"—Poppy Z. Brite "Dead in the Water is an involving and truly frightening book. This is the kind of horror that gets underneath your skin and works its way into your soul. Real terror . . . for those daring enough to take the trip. I enjoyed it immensely."—Rick Hautala "Nancy Holder proves why she's an award-winning author. Eerie—effective—excellent! A chilling combination of *Lifeboat*, *Ship of Fools*, and John Carpenter's *The Fog*, *Dead in the Water* keeps you treading water with every page, gasping for breath, sucking you under. A nightmare cruise into black waters and terrifying depths."—Lisa Cantrell "I'd feel safer in the water with *Jaws*."—Brian Lumley "A nasty tale well

told, infused with the eerily surreal quality of fevered nightmares. Discovering Nancy Holder is like finding a vein of true horror gold."—Cheri Scotch "Man the lifeboats. Don your life jacket. Nancy Holder takes you on a cruise you won't soon forget. Scary stuff."—Maxine O'Callaghan "I couldn't put it down! A whale of a tale. A page-turner—the first sentence will hook you and what follows will reel you in. *Dead in the Water* is fast-paced and exciting, mysterious and spooky!"—Chris Curry "Nancy Holder enshrouds fascinating characters within a chilling atmosphere and creates a relentless tale of terror at sea. Holder is one of my favorite writers."—Elizabeth Massie

Stone Barrington only wants a winter getaway from the chill of New York in the beautiful, tropical Caribbean paradise of St. Mark's. But what the lawyer and ex-cop gets instead is the chance to defend Allison Manning. The beautiful young woman stands accused of killing her rich husband on board their luxurious yacht and then burying him at sea. Stone isn't exactly conversant with the island country's law, but this much is clear to him: Allison is being railroaded by the perverse sense of justice of a prosecutor who will do anything to stay in office. Donning the robe and wig of a British barrister, Stone does everything he can to save Allison—from publicizing the case all over the American press to conducting the kind of smart, tough investigation that money can't buy. Just when he has the jury in the palm of his hands, a shocking reversal of fortune changes everything. And what was once a sure thing begins to look a lot like a death sentence.

The fates of three strangers collide in a deadly game of cat and mouse. Journalist Jonno Bligh is flying high with a bestselling book and an Oscar for Best Screenplay. But along with the accolades he picks up a cocaine habit and a case of writers' block. Under

pressure to deliver his next blockbuster, Jonno sails to the Indian Ocean in his beloved yacht The Scoop Jon B. When a violent storm cripples the boat he takes refuge on a beautiful remote island, where he vows to get clean. Little does he know that the murderous gangster BangBang Budiman uses the island to hide the spoils of his heists in the notorious Malaccan Strait. Jonno watches in horror as BangBang and his crewmen brutalise two women on the beach before leaving them to die. He manages to rescue Annie Greenwood, whose husband has already been murdered. Together they flee the island with the stolen loot, relentlessly pursued by the vengeful BangBang. As the killer hunts them down in the treacherous waters of South East Asia, Jonno and Annie are forced to come to terms with their own destructive demons – and a discovery that will change their lives forever. The devil waits for you ... even in paradise. PRAISE FOR DEAD IN THE WATER 'Clear the decks for this riveting tale of crime on the high seas ...Tense, gripping, Dead in the Water grabs you from opening line until the last page and leaves you wanting more.' A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is "vast in scale and ambition, while luscious and inviting ... in its intimacy" (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

Now in paperback, a behind-the-scenes look at the groundbreaking filmmaker M. Night Shyamalan In his relatively young career, M. Night Shyamalan has achieved phenomenal commercial and critical success. His films *The Sixth Sense*, *Unbreakable*, *Signs*, and *The Village* have grossed over \$1.5 billion and reinvented the thriller genre. Because Shyamalan has worked outside of the Hollywood system, however, his filmmaking habits and personality have remained largely unknown. But reporter Michael Bamberger obtained unprecedented access to Shyamalan during the tumultuous production of his film *Lady in the Water*, and in *The Man Who Heard Voices* exposes the struggles and triumphs of this modern-day Hitchcock at work. From revising the screenplay to shooting on location and evaluating the crucial initial test screening, *The Man Who Heard Voices* tracks all stages in the life of Shyamalan's film. Bamberger delves into Shyamalan's relationship with the actors and the studio (he moved from Disney to Warner Bros. for this film) while also profiling various players on set. The result is a fascinating insider portrait of creative genius—and the real-life

story behind a Hollywood thriller.

While in Hawaii Our young Navy Lieutenant, JC Shelby and his wife Susan, are urged by their boss, the Fleet Admiral at Pearl Harbor, to assist an old cold war adversary, the captain of a Russian passenger ship now on a Circle of Fire cruise, in solving the murder of one of the ships officers. The case turns out to be far more complex than a simple act of violence. Money and unrequited love play a role. The Russian skipper, retired from the Navy, risks a peaceful retirement to a clime warmer than Siberia where he had spent his Navy career. The adventure carries them from Hawaii to the Galapagos, Ecuador, Papeete, and finally New Zealand

Jason Wade is an East End boxer-turned-Police Crime Scene Investigator. He likes his job, has a good circle of friends, and is never short of female admirers. But, although on the outside his life looks an enviable one, behind closed doors he has more than one secret hidden away. When a female body is dragged from the Thames, the skeletons from Jason's past quickly begin to resurface and his near-perfect life slowly begins to spiral out of control. But, when a second victim is pulled from the Thames with amnesia, Jason questions if the two accidents are related to each other. With none of his colleagues believing there is a link between the two incidences, and ordered to stay away from the case by his boss, will investigating these seemingly unrelated cases lead Jason to his own downfall, and how many of his friends will he take with him?

In the film world today, there is extraordinary attention paid to actors, actresses and directors, yet the producers who gave many of them their first breaks and helped mold their careers have managed to remain outside the limelight. This work covers producers who gave early breaks to actors and actresses like Al Pacino and Demi Moore, directors like Steven Spielberg and Todd Haynes, and writers like Aaron Sorkin. These legends may never have become known if not for their producers' behind-the-scenes insight and ability to recognize talent. Interviewees include David Brown (*Jaws*, *A Few Good Men*), Martin Richards (*Chicago*, *The Shining*), Barbara Broccoli and Michael G. Wilson (*Goldeneye*, *Die Another Day*), Dino DeLaurentiis (*La Strada*, *Hannibal*), Michael Phillips (*Taxi Driver*, *The Sting*), Martin Bregman (*Serpico*, *Scarface*), Lauren Shuler Donner (*You've Got Mail*, *X-Men*), Robert Chartoff (*Rocky*, *Raging Bull*), Mace Neufeld (*The Hunt for Red October*, *Patriot Games*), Paula Wagner (*Vanilla Sky*, *Mission: Impossible*), and many, many more!

A fascinating read for anyone from general readers to hardcore fans and scholars, this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon, including film, literature, folklore, music, video games, and events. The proliferation of zombie-related fiction, film, games, events, and other media in the last decade would seem to indicate that zombies are "the new vampires" in popular culture. The editors and contributors of

Encyclopedia of the Zombie: The Walking Dead in Popular Culture and Myth took on the prodigious task of covering all aspects of the phenomenon, from the less-known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable, relentless zombie character. The encyclopedia examines a wide range of significant topics pertaining to zombies, such as zombies in the pulp magazines; the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority; *Humans vs. Zombies*, a popular zombie-themed game played on college campuses across the country; and annual Halloween zombie walks. Organized alphabetically to facilitate use of the encyclopedia as a research tool, it also includes entries on important scholarly works in the expanding field of zombie studies. • Provides comprehensive coverage of topics about or relating to zombies in film, literature, folklore, and popular culture • Features work from contributors who are dedicated scholars, authors, or fans in the zombie genre of work • Supplies dates with all names and works to give readers a sense of the historical context and evolution of zombie lore • Includes concept entries—for example, comedy, free will, and weapons—that place works in a logical, thematic context
