The Mayor's Daughter Haymarket Books

The Troubles of Janice is a historical saga taking place in 18th Century England centering on an unfortunate young lady called Janice McCormick. To avoid being thrown in jail for abortion, she becomes the sexual slave of a depraved aristocrat and enters his seraglio. After many tribulations involving a wedding, all sorts of abuse, the return of a long lost lover, widowhood, and extensive sex scenes all described in great detail in the first three parts of the saga, Janice finds herself free. Her enemies are all dead, her husband left her his fortune, but England and its uptight manner will reject this merry widow and so she decides to leave Old Albion and to travel to Venice, the Italian city that welcomes lovers from all over the world. The story of her travels and her meetings with famous people is detailed in this new episode of her adventures. By the way, two pages of this volume were misprinted in the original German. We hope that doesn't break your concentration.

How did colonies, territories, and land purchases shape the United States of America? What differences—and similarities—are there between the states? What does each state bring to the union? From sea to shining sea, The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States explores the history, growth, politics, people, and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities, and culture. It is a convenient place to look for state facts and trivia. In addition to the state motto, nickname, and when it entered the union, The Handy State-by-State Answer Book answers intriguing questions about the people, places, and events that lend a unique character to each state's boundaries, government, and places of interest, such as: How important were the Beach Boys to the making of California's culture? Are the Hawaiians still in charge of their state and its economy? Why was it so easy for the Pilgrims and the Puritans to take over eastern Massachusetts? Who were the first inhabitants of what is now South Dakota? Does it ever stop raining on the Washington coast? *The Pink Album* National Geographic Books

The purpose of this book is to provide a clear and systematic account of the complexities of fictional narration which result from the shifting relationship in all storytelling between the story itself and the way it is told.

Bayba, the 110 BJ's Titan Books (US, CA)

Stopped for speeding while on the way to her 19th birthday party, the sexy young Jessica Miller assumes she'll get by with the usual warning. Although her glove box is filled with unpaid tickets, she's sure that her daddy, the Mayor, will take care of it, just as he always does. However, once the officer pulls her driving records, he abruptly orders her from the car, subjects her to a demeaning pat down, then cuffs her ankles and wrists, and shoves her into the back of his cruiser. Arrested for attempted armed robbery! Oh, but this is a huge mistake! On the way to the police station, the stunned Jessica rattles off a battery of questions, only to learn from the smooth-talking officer that she's not been arrested at all. She's been kidnapped! Taken to a secluded grist mill, she'll be held until her daddy pays the ransom demands. Once in the mill her terror multiplies, as her captor begins an S&M birthday celebration, during which she's bound and gagged, in a bobbing for apples style contest with a tub of water and balls, then photographed in her dire state. The photos will land in daddy's email, proof she's alive and in danger. The officer continues her torment with his roving hands moving adroitly over her body and rousing her sexual desires. Much to her further distress, her excited body climaxes in its prison of rope. While waiting for

daddy to respond, the officer begins the training portion of her captivity: a regime of bondage and female pony training designed to turn the terrified girl into a human pony, fitted with the appropriate harness, bridle, bit, tack and tail. There's always a good market for a well-trained filly, he tells her. If daddy doesn't want her, he's sure some wealthy man will. In time, Jessica will learn the shocking truth about her nightmarish captivity. Until then, she'll endure humiliating and often painful pony workouts as she learns to become both a hard-working draft pony and a prized show pony in a fancy costume.

I am 27 and have never killed a man but I know the face of death as if heirloom my country memorizes murder as lullaby —from "For Fahd" Textured with the sights and sounds of growing up in East New York in the nineties, to school on the South Side of Chicago, all the way to the olive groves of Palestine, My Mother Is a Freedom Fighter is Aja Monet's ode to mothers, daughters, and sisters—the tiny gods who fight to change the world.

Complemented by striking cover art from Carrie Mae Weems, these stunning poems tackle racism, sexism, genocide, displacement, heartbreak, and grief, but also love, motherhood, spirituality, and Black joy. Praise for Aja Monet: "[Monet] is the true definition of an artist." —Harry Belafonte "In Paris, she walked out onto the stage, opened her mouth and spoke. At the first utterance I heard that rare something that said this is special and knew immediately that Aja Monet was one of the Ones who will mark the sound of the ages. She brings depth of voice to the voiceless, and through her we sing a powerful song." —Carrie Mae Weems Of Cuban-Jamaican descent, Aja Monet is an internationally established poet, performer, singer, songwriter, educator, and human rights advocate. Monet is also the youngest person to win the legendary Nuyorican Poet's Café Grand Slam title.

HEALING FROM INFIDELITY Penguin

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

This is the third volume in the Sex and Horror series, which celebrates the publishing craze known as "fumetti sexy." Italian adult comics and cartoons with a unique take on such genres as

horror, crime, fantasy, history, and fairy tales. Their huge success in the 1960s and '70s was due in part to their uninhibited mix of twisted humor, gory violence, and up-front eroticism, but the element that makes them so collectable today is their technicolor cover illustrations, rendered by classically trained painters. This book focuses on the work of Fernando Carcupino, famed not just for his comic work but his pinups, as well.
