Final Report and Recommendations of the Cambridge Primary Review Hodder Education

The Primary Checkpoints series is designed to provide ready-made stimulating activities. Familiarises

students with a variety of assessment formats, such as, NAPLAN* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy including mental arithmetic questions and problem solving

Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.
