Terry Wogan couldn't have written a better introduction had he been alive today. I think it might have been penned with a tear in his eye and a crystal ball on the table, the one he used on a regular basis to tell my future, as you'll soon discover. What he couldn't know is that I would write and publish this book. Most of my friends say they will buy a copy so that should boost the bank balance by about a tenner, if I'm lucky, which I have been during most of my life, and that theme, plus a deep love of music, permeates this tome throughout. I wouldn't say it's a rags to riches story but I can still hardly believe that a little lad from the back streets of Manchester could have had the fun journey I have enjoyed. I hope you'll travel with me through childhood and teens to the Swinging Sixties in London and Manchester, where I briefly found employment as a schoolteacher and civil servant, through my time as a singer/songwriter/record producer and pop star in Norway (Oh yes I was!). From the seventies onward the BBC was my main focus as a producer with thirty years before the mast on the Good Ship Radio Two working with some of the all-time great broadcasters like Jack Jackson, Simon Bates, Sir Terry Wogan, Jimmy Young, David Hamilton, Kenny Everett, Wally Whyton, Anne Robinson, Michael Aspel and Ken Bruce. The cream on the top during those years was meeting my heroes Gene Vincent, Jerry Lee Lewis, Johnny Cash, The Crickets, John D Loudermilk, Neil Sedaka and Roy Rogers. Did I mention The Beatles? The great northern city of Manchester was an education, an inspiration, an introduction to my two great passions - music and sport - and a springboard to explore the wider world, which I did on many

occasions from a very young age, being regularly parcelled off to stay with relatives in Yorkshire, and once to friends on the Isle of Man. All this before the age of twelve when I took matters into my own hands and began a love affair with Vienna and Austria by taking part in a student exchange programme every year until I was 18. Maybe my parents were relieved to be rid of me for a period of time - this is not a misery memoir, but things were less than easy. And I certainly enjoyed my holiday visits away from home. It was always a great adventure, which is how most of my life has been ever since. In January 2020, I made one New Year's resolution, to start writing this book. I started compiling and collating dates to bring the memories into focus, and as I did, I realised... It all started with a bass guitar. A Fender Precision Bass, to be exact, about which I knew nothing at the time I bought it, but which put me on a trajectory to a life-long involvement with popular music and the rarefied atmosphere of stars and celebrity. I could have called this book "All About That Bass" but Meghan Trainor beat me to it! So it became "Easily Led And Hard On His Shoes" which were a couple of the many things my mother used to call me, the first for being a little naïve and credulous and the second for my inability to resist kicking anything in the street, be it a stone, a stick or a tin can. She also told me I had a mind like a butterfly. So let's focus, shall we, and get on with the story?

"Split into four sections, the book reviews the soundtracks and summarises the films that spawned them. The first part covers the breadth of pop and rock musical feature films: from Rock Around the Clock through to The Pick of Destiny. Section two concentrates on documentary and performance films, from the classic summer of love sounds of Woodstock to the contemporary inter-band rivalry of Dig!" "The third part explores the soundtracks of the great cult films of recent memory, where pop culture and pulp fiction meet, such as Trainspotting, Easy Rider and Reservoir Dogs. The final section will look at rock star scores, the rock and pop film scores and the pop luminaries behind them, such as Peter Gabriel, Nick Cave and Ry Cooder."--BOOK JACKET.

Prague, 1938: Eva flies down the street from her sister. Suddenly a man steps out, a man wearing a hat. Eva runs into him, hits the pavement hard. His hat is in the gutter. The world can go to hell for all he cares because Babi is waiting for him in the warm flat. His whole world. Melbourne, 1980: Malá Li?ka's grandma holds her hand as they climb the stairs to their third floor flat. Inside, the smell of warm pipe tobacco and homemade cakes. Longlisted for the prestigious Miles Franklin Award, this “moving account of the depth of ordinary lives” (Library Journal, starred review) tells the story of a young Tasmanian girl and a Danish sailor and the brief encounter that leaves a lasting impact on both. Isla is a lonely girl who moves to Hobart with her mother and brother to try to better their lives. It's not really working until they meet Bo, a crewman on an Antarctic supply ship, the Nella Dan, who shares stories about his adventures with them—his travels, bird watching, his home in Denmark, and life on board the ship. Isla is struggling to learn what truly matters and who to trust, while this modern Viking is searching to understand his past and to find a place in this world for himself. Though their time together is short, it is enough to change the course of both their

lives. Praised for writing that is “vivid and distinct” (Library Journal, starred review) and “exquisite in its simplicity and eloquence” (Kirkus Reviews), Favel Parrett delivers a stunningly beautiful novel—“spare but memorable” (Booklist)—about the remarkable and unexpected bond forged between strangers. *The Virgin Encyclopedia of 80s Music* Wise Publications

Black and White Knight: How Sir Bobby Robson Made Newcastle United Again is a story of rebirth and redemption. Fractured, disillusioned and second bottom in the Premier League, the Magpies were heading one way under Ruud Gullit: down. The magic of Kevin Keegan's 'Entertainers' era was a distant memory, but in September 1999, Sir Bobby Robson, a son of County Durham, returned home and became a catalyst for change. Talisman Alan Shearer was smiling and scoring, and everyone was dreaming again. Three years later, Newcastle qualified for the Champions League, where they went toe-to-toe with the likes of Inter Milan, Barcelona and Juventus, making history on an amazing journey and playing a brand of football full of energy, verve and attacking intent. A genius in man-management, Sir Bobby's experience and aura gave the club its soul back; *Black and White Knight* details how he mended divisions and massaged egos to make Newcastle everyone's second favourite team once again.

The first, and only, inside story of one of the greatest bands in rock history—Dire Straits—as told by founder member and bassist John Illsley One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their album sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms”—is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band's rise from humble origins to the best-known venues in the world, the working man's clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley's life in Dire Straits.
