 EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I've collected these spells from several different sources, mostly from witches I have met in my travels and covens I have been a part of. I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nightshade-Brittany Nightshade

Merry meet! I'm Brittany Nightshade of the Atrum Angelus coven. I have spent many years traveling and learning about the Craft of Magick. One area of Magick that is typically shied away from by practitioners is Black Magick. The Rule of Three amongst other things such as the Wiccan Reed's validity have been debated for decades and it's considered taboo by the majority of the community. That being said it is still openly practiced and I myself find The Dark Arts to be a magnificent way to reach your full potential. I've taken the section of my Book of Shadows pertaining to Black Magick, brushed it up a bit and added some spells from a few of my coven sisters in hopes to present them and make them as accessible as possible to anyone who wishes to walk The Left Hand Path. I've also included some basic information on Runes and a glossary for commonly used words related to Witchcraft towards the end of the book. I've tweaked these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change

what you want to suit your own needs. Let the rituals be the vessel that carries your enemies to their demise.

White Magic Love Spells Harper Collins

- Explains how Kimbanda's presiding deity Eshu embodies both masculine and feminine principles, both god and devil, and thus represents human nature itself with all its vices and virtues
- Discusses Kimbanda's magical practices, initiation rites, sacred knives, and sacrificial offerings
- Details the seven realms and the entities that inhabit and govern each of them

Although it has been demonized as a form of Satanic cult, Kimbanda--the tradition of Afro-Brazilian black magic--is a spiritual practice that embraces both the light and dark aspects of life through worship of the entities known as Eshu and Pombajira. Exploring the history and practice of Kimbanda, also known as Quimbanda, Diego de Oxóssi builds a timeline from the emergence of Afro-Brazilian religions in the 17th century when African slaves were first brought to Brazil, through the development of Orisha cults and the formation of Candomblé, Batuque, Macumba, and Umbanda religious practices, to the modern codification of Kimbanda by Mãe Ieda do Ogum in the 1960s. He explains how Kimbanda's presiding deity Eshu Mayoral embodies both masculine and feminine principles, both god and devil, and thus represents human nature itself with all its vices and virtues. Discussing the magical practices, initiation rites, and spiritual landscape of Kimbanda, the author explains how there are seven realms, each with nine dominions, and he discusses the entities that inhabit and govern each of them. The author explores spirit possession and Kimbanda's sacrificial practices, which are performed in order to honor and obtain the blessing of the entities of the seven realms. He discusses the sacred knives of the practice and the role each plays in it. He also explores the 16 zimba symbols and sigils used to attract the spirits most apt to realizing the magician's will as well as traditional enchantment songs to summon and work with those spirits. Offering an accessible guide to Kimbanda, the author shows that this religion of the people is popular because it recognizes the dark and light sides of human morality and provides a way to interact with the deities to produce direct results.

MASTER THE TRUE ART OF BLACK MAGICK Halloween's Black Magick: The Authentic Grimoire of the Witch of Endor is the true story of occult scholar Victor Barlow's terrifying encounter with the Witch of Endor and the grimoire he regrettably took from her in 1987. **THE MOST ANCIENT BOOK OF SHADOWS - FIRST TIME IN PRINT** The Witch of Endor's Grimoire is the most infamous and ancient of all magick books; its existence has eluded historians and researchers for centuries. Mr. Barlow has now broken his silence and finally made this magnificent spell book available to the public. **A TREASURE TROVE OF REAL BLACK MAGICK** The Witch of Endor's Grimoire is a mysterious spell book that was originally written in a cryptic and bastardized mix of Hebrew,

Aramaic, and Arabic. To produce the most authentic interpretation of the text, we've managed to secure the help of several well-respected linguists. This incredible dark magick book also includes detailed reproductions of the witch's original artwork and mystical drawings. Used with careful discretion, Endor's Grimoire is a treasure trove of real magickal information, containing artwork, sigils, incantations, magical formulas, spells (both theurgic and magical), and rituals that will allow you to: Summon demons Control spirits Speak with the dead Impose nightmares on others Cast no shadow Levitate from the ground Summon snakes and scorpions Teleport Make other obey commands Acquire wealth and riches Create a Protection Pouch Remove a curse Initiate a curse Dybbuk Invocation Charge a Magick Bowl Summon the Demon Queen Countermand Holy Water Ward off enemies Communicate with animals Control a Familiar Jumping the Path Make enemies suffer Change wind direction And much, much more **A REAL BOOK OF WITCHCRAFT AND BLACK MAGICK FOR EVERYONE** Halloween's Black Magick is an essential reference and permanent resource for anyone interested in the dark secrets of the Witch of Endor and the black magick she practices. 228 pages, fully illustrated, glossary.

Black Magic Sanction Simon and Schuster

"Black Magic for Dark Times: Spells of Revenge and Protection" is for every good, decent person who has been the victim of violence, threats, fraud, official corruption or other crimes and is without a conventional form of redress. It is the first spell book especially for crime survivors. It was written to help you deal with situations in which every normal means of justice has been cut off. It is a black magic spell book for the times we live in - a time of pervasive injustice and rampant, unchecked crime and corruption. The terms "revenge" and "justice" are both about bringing balance and harmony to a situation. Both words have similar meanings, but different connotations. Justice is balance and harmony brought about through the courts and the justice system. Revenge is balance and harmony brought about on an individual level. This book contains spells for both of these situations. When there is no justice, the conjurer can make it. When there is no way to identify the perpetrator by conventional means, he can be routed out using the often misunderstood science of magic. If you believe that all of the world is bent toward justice and karma will get the evil-doers in the end or they will be judged by God and burn in fire and brimstone forever, then this book is not for you. If you can reconcile living in a world with such people and the complete absence of justice by simply saying, "They'll get theirs someday," then put this book down and go back to sleep. Come back and read this book when you can face the truth, when you are filled with self-righteous anger and ready to invoke cosmic justice upon the perpetrators of evil acts with all the forces of Hell! Over 100 spells and formulas plus tips for making spells more effective. Includes spells to protect from and exact spiritual justice in cases of: Police brutality, judicial corruption, domestic violence, rape, stalking, harassment, unjust foreclosure and banking fraud, bullies at work and school, gossips, illegal checkpoints, airport security, government raids, home and travel protection, theft, bad neighbors, threats, creepy landlords, negative energies, unwanted house guests and - finally - how to heal from the trauma for survivors of violent crime. This is a unique spell book of practical magic especially for crime survivors and those dealing with official corruption, written in a conversational style. Part of the purpose of the book is to reawaken people to the idea that magic is a force for change in the real world.

April 1943: four boys playing in Hagley Woods, Worcestershire make a gruesome discovery. Inside an enormous elm tree, there

is the body of a woman, her mouth stuffed with a length of cloth. As the case goes cold, mysterious graffiti starts going up across the Midlands: 'Who put Bella in the Wych Elm?' To Ross Spooner, a police officer working undercover for spiritualist magazine *Two Worlds*, the messages hold a sinister meaning. He's been on the track of a German spy ring who have left a trail of black magic and mayhem across England, and this latest murder bears all the hallmarks of an ancient ritual. At the same time, Spooner is investigating the case of Helen Duncan, a medium whose messages from the spirit world contain highly classified information. As the establishment joins ranks against Duncan, Spooner must face demons from his own past, uncover the spies hiding beneath the fabric of wartime society - and confront those who suspect that he, too, may not be all he seems ...

Robert B. Parker's Old Black Magic Less Than Three Press, LLC

The definitive history of how witchcraft and black magic have survived, through the modern era and into the present day. *Cursed Britain* unveils the enduring power of witchcraft, curses and black magic in modern times. Few topics are so secretive or controversial. Yet, whether in the 1800s or the early 2000s, when disasters struck or personal misfortunes mounted, many Britons found themselves believing in things they had previously dismissed - dark supernatural forces. Historian Thomas Waters here explores the lives of cursed or bewitched people, along with the witches and witch-busters who helped and harmed them. Waters takes us on a fascinating journey from Scottish islands to the folklore-rich West Country, from the immense territories of the British Empire to metropolitan London. We learn why magic caters to deep-seated human needs but see how it can also be abused, and discover how witchcraft survives by evolving and changing. Along the way, we examine an array of remarkable beliefs and rituals, from traditional folk magic to diverse spiritualities originating in Africa and Asia. This is a tale of cynical quacks and sincere magical healers, depressed people and furious vigilantes, innocent victims and rogues who claimed to possess evil abilities. Their spellbinding stories raise important questions about the state's role in regulating radical spiritualities, the fragility of secularism and the true nature of magic.

Iconic, tough-but-tender Boston PI Spenser delves into the black-market art scene to investigate a decades-long unsolved crime of dangerous proportions. The heist was legendary, still talked about twenty years after the priceless paintings disappeared from one of Boston's premier art museums. Most thought the art was lost

forever, buried deep, sold off overseas, or, worse, destroyed as incriminating evidence. But when paint chips from the most valuable piece stolen, *Gentlemen in Black*, by a Spanish master, arrives at the desk of a Boston journalist, the museum finds hope and enlists Spenser's help. Soon the cold art case thrusts Spenser into the shady world of black market art dealers, aged Mafia bosses, and old vendettas. A five-million-dollar-reward by the museum's top benefactor, an aged, unlikable Boston socialite, sets Spenser and pals Vinnie Morris and Hawk onto a trail of hidden secrets, jailhouse confessions, murder, and double crosses. Set against the high-society art scene and the lowlife back alleys of Boston, this is classic Spenser doing what he does best.

Black Magic for Dark Times Llewellyn Worldwide

Daphanie Carter is thrilled that her sister Danice finally found her Prince Charming—even though he's not quite, well, human. Daphanie is trying to keep an open mind. Which is why she jumps at the chance to enter the hidden world of *The Others* when a friendly imp invites her to a non-human nightclub. Daphanie's curious to see how the Other half lives—and parties—but soon, one handsome stranger has her bewitched, bothered, and beside herself... Enter Asher Grayson. As a Guardian, it's his job to protect humans who get mixed up in the affairs of Others. When he spots Daphanie in a club, going head to head with a notorious witch doctor, he steps in to cool things off. Now the heat is on. Daphanie becomes the target of strange magical attacks, and Asher's got to undo the voodoo before it's too, too late. But soon he starts to wonder if this beautiful, beguiling mortal has put a spell on him—because every little thing she does is magic...

New York Times bestselling author Cherry Adair is back with an action adventure with a paranormal twist. If you like bestselling authors Maya Banks and Heather Graham, you'll love *Black Magic*. This steamy, thrill ride mixes wizards and a love that cannot be denied. She hates using magic... Ever since the death of her parents, Sara Temple has rejected her magical gifts. Then, in a moment of extreme danger, she unknowingly sends out a telepathic cry for help—to the one man she is convinced she never wants to see again. He's a powerful wizard... Jackson Slater thought he was done forever with his ex-fiancée, but when he hears her desperate plea, he teleports halfway around the world to aid her in a situation where magic has gone suddenly, brutally wrong. They've been chosen to save the world... But while Sara and Jack remain convinced they are completely mismatched, the Wizard Council feels otherwise. A dark force is killing some of the world's most influential wizards, and the ex-lovers have just proved their abilities are mysteriously amplified when they work together. But with the fate of the world at stake, will the violent emotions still simmering between them drive them farther apart...or bring them back into each other's arms?

Dirk Renswoude is a craftsman and loner of noble birth who has been mistreated by his family. He meets Thierry, a young scholar on his way to study at the university at Basle and they soon discover that they share a fascination with the black arts. Thierry is initially cautious and afraid of blasphemy, whilst Dirk is ambitious and thirsts for power. Dirk leads them on to experiments with mystic circles drawn on the floor in chalk, the chanting of arcane incantations and the evocation of grotesque, demonic visions writhing in the speculum.
