*Roger Federer* Back Bay  
Books

The tennis virtuoso strikes each ball with a watchmaker's precision. But he's more than a Swiss national hero, enthraling the masses across the world with his elegant play, his groundedness and his resilience. At 37, the

father of four is still diligently increasing his stardom. He is considered not just the best tennis player in history, but one of the greatest athletes of all time. This book is a bestseller in Europe and is now available in English for the first time.

*The Long Run and Beautiful Game of Roger Federer* Createspace  
Independent Publishing  
Platform

"An award-winning author

shares the inspiring and entertaining account of his pursuit to become a nationally competitive tennis player--at the age of sixty. Being a man or a woman in your early sixties is different than it was a generation or two ago, at least for the more fortunate of us. We aren't old

The Greatest Fame Life  
Bios

Pete Sampras is a central figure in the history of

tennis, the dominant force in the game during the 1990's, and the greatest American male player of all time. Gradually, after a fairytale finish to his career when he won the 2002 U.S. Open, Sampras was somewhat forgotten by fans who were exhilarated by the exploits of Roger Federer, Rafael Nadal and Novak Djokovic. In this career biography of the redoubtable Sampras, Hall of Fame author and historian Steve Flink recaptures the magic of the man, recalling the

supreme hold he had on his era, bringing this singularly gifted player vividly back to life. Flink portrays Sampras as a rare champion who was in many ways larger than the game he played. *And Other Endings* Simon and Schuster "First published in Great Britain in 2015 by Yellow Jersey Press"--Title page verso.

 Discover The Inspirational Story of Tennis Superstar Roger Federer! Read on your PC, Mac, smart

phone, tablet or Kindle device! You're about to discover the incredibly inspirational story of tennis superstar Roger Federer. If you're reading this then you must be a fan of Roger, like so many others. As a fan, you must wonder how this man is so talented and want to know more about him. Roger is considered to be one of the greatest tennis players ever and it's been an honor to be able to watch him compete throughout his career. This book will reveal to you much about Roger's

story and the many accomplishments throughout his career. Here Is A Preview Of What You'll Learn... Youth and Family Life Amateur Career Professional Career and Notable Moments Legacy, Charitable Acts and much more! If you want to learn more about Roger Federer, then this book is for you. It will reveal to you many things that you did not know about this incredible tennis star! About the Author: Inspirational Stories is a series aimed

at highlighting the great athletes of our society. Our mission is to present the stories of athletes who are not only impactful in their sport, but also great people outside of it. The athletes we write about have gone above and beyond to become impactful in their community and great role models for the youth, all while showing excellence in their profession. We publish concise, easily consumable books that portray the turning points in the lives of these great athletes, while also giving

the context in which they occurred. Our books are especially great for children who look up to sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic.

**Federer** Carlton Books René Stauffer has been closely covering Roger Federer's career for nearly 25 years. In this comprehensive biography, Stauffer talks at length to the man himself, his family, friends, coaches

and rivals to paint an unrivalled picture of the greatest male tennis player of all time. From his early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his 20th Grand Slam victory and all points in between, Stauffer reveals the secrets to Federer's success, the hardships and doubts that he has faced and examines the legacy that Federer has created in the modern game.

TIMES BESTSELLER

The only definitive book

authored by Wim Hof on

his powerful method for realizing our physical and spiritual potential. "This

method is very simple, very accessible, and

endorsed by science.

Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can use—young or old, sick or

healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and

passionate style, Wim shares his method and his story, including: •  
Breath—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind •  
Cold—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength •  
Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living •

Science—How users of this method have redefined what is medically possible in study after study •  
 Health—True stories and testimonials from people using the method to overcome disease and chronic illness •  
 Performance—Increase your endurance, improve recovery time, up your mental game, and more •  
 Wim’s Story—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph •  
 Spiritual Awakening—How breath, cold, and mindset

can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim

Hof Method is waiting for you.  
[The Biography](#) Simon and Schuster  
 An extended meditation on late style and last works from “one of our greatest living critics” (Kathryn Schulz, New York). When artists and athletes age, what happens to their work? Does it ripen or rot? Achieve a new serenity or succumb to an escalating torment? As our bodies decay, how do we keep on? In this beguiling meditation, Geoff Dyer sets his own encounter

with late middle age against the last days and last works of writers, painters, footballers, musicians, and tennis stars who've mattered to him throughout his life. With a playful charm and penetrating intelligence, he recounts Friedrich Nietzsche's breakdown in Turin, Bob Dylan's reinventions of old songs, J. M. W. Turner's paintings of abstracted light, John Coltrane's cosmic melodies, Bjorn Borg's defeats, and Beethoven's final quartets—and considers the

intensifications and modifications of experience that come when an ending is within sight. Throughout, he stresses the accomplishments of uncouth geniuses who defied convention, and went on doing so even when their beautiful youths were over. Ranging from Burning Man and the Doors to the nineteenth-century Alps and back, Dyer's book on last things is also a book about how to go on living with art and beauty—and on the entrancing effect

and sudden illumination that an Art Pepper solo or Annie Dillard reflection can engender in even the most jaded and ironic sensibilities. Praised by Steve Martin for his "hilarious tics" and by Tom Bissell as "perhaps the most bafflingly great prose writer at work in the English language today," Dyer has now blended criticism, memoir, and humorous banter of the most serious kind into something entirely new. The Last Days of Roger Federer is a summation of Dyer's passions, and the

perfect introduction to his sly and joyous work.

"I'd like to be in his shoes for one day to know what it feels like to play that way."---Mats Wilander -- Book Jacket.

*Federer - Completely Revised and Updated edition* John Murray

With rare and unrivaled access, bestselling coauthor of *Soccernomics* and longtime *Financial Times* journalist Simon Kuper tells the story of

how FC Barcelona became the most successful club in the world—and how that era is now ending FC Barcelona is not just the world's highest grossing sports club, it is simply one of the most influential organizations on the planet. At last count, it had approximately 214 million social media followers, more than any other sports club except Real Madrid CF—and by one earlier measure, more than all thirty-two NFL teams combined. It has more in common with multinational

megacompanies like Netflix or small nation-states than it does with most soccer teams. No wonder its motto is "More than a club." But it was not always so. In the past three decades, Barcelona went from a regional team to a global powerhouse, becoming a model of sustained excellence and beautiful soccer, and a consistent winner of championships. Simon Kuper unravels exactly how this transformation took place, paying special attention to the club's two biggest stars, Johan Cruyff

and Lionel Messi, who is arguably the greatest soccer player of all time. Messi joined Barça at age thirteen and, more than anyone, has been the engine and standard-bearer of Barcelona's glory. But his era is coming to an end—and with it, a once-in-a-lifetime golden run. This book charts Barça's rise and fall. Like many world-beating organizations, FC Barcelona closely guards its secrets, granting few outsiders access to the Camp Nou, its legendary home stadium. But after

decades of writing about the sport and the club, Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top. Erudite, personal, and capturing all the latest upheavals, his portrait of this incredible institution goes beyond soccer to understand FC Barcelona as a unique social, cultural, and political phenomenon.

**Federer** Knopf

This admired biography traces the rise of Roger Federer, from his first

tentative strokes with a racket to legendary status, and perhaps even the title of greatest tennis player ever. It looks at his development as a sportsman and how he has matured into a family man after his marriage and the birth of twin girls, followed by twin boys in 2014. With his remarkable return to top-level form after his grim 2013, culminating in his sealing Switzerland's Davis Cup triumph in November 2014, and his narrow loss to Novak Djokovic in the 2015 Men's Singles at

Wimbledon, a fuller picture of the player's career can be painted. Far from being an endless recitation of tennis matches won and, sometimes, lost, however, the book also examines how Federer bounced back from arguably one of the most challenging periods of his career when he suffered a serious illness and a dip in form. In characteristic style, he silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown, winning Olympic

gold, and in 2015 recording his 1,000th career win – a feat achieved by only two other players – as well as beating both Djokovic and Murray, the world Nos 1 and 2, to win the Cincinnati Masters for the seventh time. This masterly biography brings the player's story up to date, while also considering Federer the man and the player, as well as his place in tennis and sporting history. Amaryllis - an imprint of Manjul Publishing House  
NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her

brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. "A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down."—Serena Williams  
In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon

championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched

sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships

and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports. *Portrait of An Artist* eBook Partnership  
The executive editor of Sports Illustrated offers an in-depth analysis and behind-the-scenes look at the historic 2008 match between tennis titans. In the 2008 Wimbledon men's final, Centre Court was a stage set worthy of Shakespearean drama.

Five-time champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game. He just needed to cling to his trajectory. So, in the last few moments of daylight, Centre Court witnessed a coronation. Only it wasn't a crowning for the Swiss heir apparent but for a swashbuckling Spaniard. Twenty-two-year-old Rafael Nadal prevailed, in five sets, in what was, according to the author, "essentially a four-hour, forty-eight-minute

infomercial for everything that is right about tennis—a festival of skill, accuracy, grace, strength, speed, endurance, determination, and sportsmanship." It was also the encapsulation of a fascinating rivalry, hard fought and of historic proportions. In the tradition of John McPhee's classic *Levels of the Game*, *Strokes of Genius* deconstructs this defining moment in sport, using that match as the backbone of a provocative, thoughtful, and entertaining look at

the science, art, psychology, technology, strategy, and personality that go into a single tennis match. With vivid, intimate detail, Wertheim re-creates this epic battle in a book that is both a study of the mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali-Frazier, Palmer-Nicklaus, and McEnroe-Borg. "Deftly touches on all the defining factors of contemporary tennis." —San Francisco Chronicle "Illuminates a kingdom changing hands.

An engrossing book.”

—Bud Collins

The Master Birlinn Ltd

The tennis star offers a candid account of his athletic career that reveals his rise to fame on the court, his most dramatic on-court moments, his famed rivalry with Andre Agassi, and the pressures of and lessons learned about success.

*Open Kings Road*

Publishing

A major biography of the greatest men's tennis player of the modern era. There have been other

biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *THE MASTER*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the

decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top

international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand

Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. THE MASTER tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.
