*A novel*  
HarperCollins  
At the base of  
the Saginaw  
Bay on Lake

Huron lies  
historic Bay  
City, a  
gorgeous town  
with a dark  
past. In its  
early days, a  
six-block strip  
known as  
Hell's Half Mile  
was an

epicenter of  
debauchery  
and brutality.  
This  
tumultuous  
history has  
left a deep  
paranormal  
imprint on the  
area. A  
sinister

Victorian lady terrorizes those who visit the upper level of the Bay City Antiques Center. The ghost of a disfigured little girl roams Sage Library. And the former caretaker of the USS Edson lovingly tends the ship after death as he did in life. Local author and paranormal investigator Nicole Beauchamp takes you on a bone-chilling journey through Bay City's most haunted locales. Route 66 Arcadia Publishing Kif Kehlmann, a young, penniless writer, thinks he's finally caught a break when he's offered \$10,000 to ghostwrite the memoir of Siegfried "Ziggy" Heidl, the notorious con man and corporate criminal. Ziggy is about to go to trial for defrauding banks for \$700 million; they have six weeks to write the book. But Ziggy swiftly proves almost impossible to work with: evasive, contradictory, and easily distracted by his still-running "business concerns"—which Kif worries may involve hiring hitmen from their shared office. Worse, Kif finds himself being pulled into an odd, hypnotic, and ever-closer orbit of all things Ziggy. As the deadline draws near, Kif becomes increasingly unsure if he is ghostwriting a memoir, or if Ziggy is rewriting

him—his life, his future, and the very nature of the truth. By turns comic, compelling, and finally chilling, *First Person* is a haunting look at an age where fact is indistinguishable from fiction, and freedom is traded for a false idea of progress.

How More Than One Hundred Men Have Recovered from Alcoholism  
UNM Press  
“A fascinating and frightening book” (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island.

George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that

turned into a nightmare beyond imagining—“t his book will scare the hell out of you” (Kansas City Star).

Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world

literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. *Treasure Island* Penguin Living on a damaged planet challenges who we are and where we

live. This timely anthology calls on twenty eminent humanists and scientists to revitalize curiosity, observation, and transdisciplinary conversation about life on earth. As human-induced environmental change threatens multispecies livability, *Arts of Living on a Damaged Planet* puts forward a bold proposal: entangled histories, situated

narratives, and thick descriptions offer urgent “arts of living.” Included are essays by scholars in anthropology, ecology, science studies, art, literature, and bioinformatics who posit critical and creative tools for collaborative survival in a more-than-human Anthropocene. The essays are organized around two key figures that also serve as the publication’s two openings:

Ghosts, or  
landscapes  
haunted by  
the violences  
of modernity;  
and Monsters,  
or interspecies  
and  
intraspecies  
sociality.  
Ghosts and  
Monsters are  
tentacular,  
windy, and  
arboreal arts  
that invite  
readers to  
encounter  
ants, lichen,  
rocks,  
electrons,  
flying foxes,  
salmon,  
chestnut  
trees, mud  
volcanoes,  
border zones,  
graves,  
radioactive  
waste—in  
short, the  
wonders and  
terrors of an  
unintended  
epoch.

In his second

Pulitzer Prize-winner, The Piano Lesson, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his

dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past

and of opportunity in the present. The Big Muddy Monster Little, Brown Books for Young Readers  
Cross: Devil's Nightmare MC is a full-length, standalone first book in a steamy and suspenseful new MC Romance series - Devil's Nightmare MC - by Lena Bourne. No Cliffhanger, HEA Guaranteed!  
Cross I'm the guy whose name brings fear into the hearts of even the hardest

men. They call me Cross, because I've killed enough men to fill a cemetery, and I never saw any problem with that. Until a woman I hardly remember brought my eleven-year-old daughter that I didn't know existed, to my doorstep and left her for me to take care of. At first my daughter was a complication I didn't need, but now I'll do everything I can to raise her right. I'll even stay away from her hot-as-sin

guidance counselor Roxanne, who makes me feel like I'm twenty again, and not pushing forty. Which isn't to say I wouldn't show her what a real man can do with a woman like her. Roxie My father was the president of an outlaw MC, and until I turned twenty-one a world of bikers, mayhem and crime was all I knew. Then a rival gang destroyed it all, killed my family and everyone I held dear, and made me the property of a

brutal, ruthless man. I ran away, got an education, and haven't looked back. Now I'm the guidance counselor at a small town junior high school, my old life so far behind me it might as well be someone else's past, and I was happy to leave it there. But then I met Cross, the bad boy biker father of one of my wayward students. He makes me yearn for the life I lost, crave all the

excitement that used to be my everyday. Makes me want to be a bad girl again, if only for one night. But I won't go down that road again. It doesn't lead anywhere good. Cross: Devil's Nightmare MC is biker romance novel, which contains steamy sex scenes and deals with disturbing themes that may be uncomfortable for some readers. Intended for 18+

audiences. *Ghost Abbey* Vintage Modernity Britain: A Shake of the Dice, 1959-62 is the triumphant conclusion to the story of how Britain metamorphosed from the relative calm of the 1950s into a country experiencing huge and often disruptive change. **The Drop of the Dice** Macmillan Come join the adventure in Symbaroum, the acclaimed Swedish roleplaying game! In August 1976, Police Officer Brian Gosselin had a face-to-face encounter with a Bigfoot-type creature on Abair Road in Whitehall, NY. This event set off a firestorm of

publicity and has become a landmark case that has withstood the test of time. Brian encountered this creature just 30 feet in front of him, in his spotlight, with his pistol pointed directly at it, but he did not shoot. In "Abair Road,

The True Story," Brian is sharing the events that took place that night along with a great deal of information that has never been shared before. We hope you'll join us in the pages of this book and enjoy the ride.
