"Fine art for font nerds."—New York Magazine "One of the most engaging homages I have ever seen."—Steven Heller Swissted takes rock concert posters of the '70s, '80s, and '90s and remixes and reimagines them through a Swiss modernist lens. The result is some of the coolest images you've ever seen! The book features 200 posters, all

microperforated and ready to frame. Or keep them bound in one collection as an art book. The foreword is written by legendary designer Steven Heller. Posters are from legendary indie, alternative, and punk bands such as Jane's Addiction, Blondie, the Beastie Boys, the Clash, the Pixies, Green Day, the Ramones, Devo, the Sex Pistols, Dead Kennedys, Public Image Ltd., Sonic Youth, the Cure, Red Hot Chili Peppers, Hüsker Dü, Danzig, the Replacements, Fugazi, the Lemonheads, Pearl Jam, Pavement, Superchunk, They Might Be Giants, Guided by Voices, Sugar, Sleater Kinney, Violent Femmes, Iggy Pop, Fishbone, Nirvana, and many, many more!

Exercises correspond precisely to pages in the Dictionary, making this exceptionally easy to use alongside the main book. Like the Dictionary, it's highly visual and content is never intimidating. There's plenty of variety to keep students interested, with the emphasis on making practice fun through puzzle-like activities such as word searches and 'complete the picture'. Contextualized exercises such as labelling, true or false, matching and sequencing provide more of a challenge. The CDs focus on short conversations and

dictations in natural, real-life contexts and can be used in conjunction with the listening activities at the back of the book The Basic Oxford Picture Dictionary Oxford University Press, USA

The Oxford Picture Dictionary Canadian Workbooks are accompaniments to the OPD that allow it to be more easily used in the classroom as a core text. They correlate to the dictionary page-for-page with vocabulary reinforcing exercises at each of the three available levels. Each book comes with a listening section at the back of the book and access to online audio. The workbooks can also be used for self study.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases

defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
