The United States is a model of freedom, democracy, and economic strength for the rest of the world. Our continued success as a world leader depends on whether citizens like you take an active part in our government and institutions. This Civics program helps you foster student civic responsibility with a balanced approach that focuses on the principles of government, active citizenship, and responsible economic participation. Throughout Holt Civics in Practice, you will find special features that will help you understand more about your roles in your country and community. Many of these features were developed with our partners, the Center for Civic Education and the World Almanac Education Group. - Publisher.
